Renovated 2-Bedroom Home with Terraces, Garage & Solarium

This well-presented, renovated property offers comfortable living across four levels.

Entering through the front gate, you're welcomed by a pleasant terraced patio that leads into a quiet conservatory area. The front door opens into a living room featuring a built-in fireplace, with an archway connecting to a custom pastel blue kitchen.

Off the hallway is a shower room with toilet. The hallway also leads to a rear terrace, with an external staircase down to a private parking area and a large garage with its own entrance.

Upstairs, there are two good-sized double bedrooms. The front bedroom has double glass doors that open onto a small balcony. This level also includes a spacious family bathroom.

A staircase continues to the third level, where a door opens out onto a private rooftop solarium.

This property is ideal as a permanent residence, holiday home, or rental investment.
