## Charming 2 Bed Townhouse in Pinar de Campoverde

This charming townhouse is set on a peaceful street in Pinar de Campoverde, just a short walk from the village center and the local church. At the front of the property, an open driveway and garden with mature palm trees create a welcoming first impression. Stepping inside, you are greeted by the entrance hallway. To the left, a modern custom-designed kitchen looks out onto the front garden, while to the right you will find the first of two spacious double bedrooms, complete with fitted wardrobes and traditional interior shutters. And a full family bathroom.

Continuing through the hallway, the home opens up into a generous living and dining area. This inviting space features a cozy log-burning fireplace and patio doors that lead onto a large back terrace, complete with a built-in brick barbecue, perfect for entertaining family and friends. From the dining room, a staircase takes you up to the second double bedroom with its own en-suite toilet and access to a private rear balcony.

A spiral staircase from the balcony leads up to the rooftop solarium, where you can enjoy sweeping views of the surrounding countryside and greenery. Being on the edge of the village, the setting feels tranquil and private, yet remains within easy reach of all local amenities.
