This detached villa is set on a quiet street in the older part of Pinar de Campoverde, offering charm, privacy, and plenty of space. As you enter the property, you are welcomed by a bright, glass-enclosed dining room that fills with natural light. From here, a hallway leads you to the heart of the home. To the left, double doors open into a spacious living room with a traditional brick fireplace, creating a warm and inviting atmosphere. The villa features two comfortable bedrooms, a full family bathroom, and an additional shower room, while the separate kitchen provides functionality and privacy. Patio doors at the back open out to the pool area, where a covered terrace with elegant arches frames the view and adds character to this relaxing outdoor space. The poolside area is perfect for entertaining or simply enjoying the Mediterranean lifestyle.

The villa sits on a generous 812 m² plot, with its own private driveway leading into a large garden filled with mature trees. Within the garden, you will also find a small casita ideal for storage, as well as access to a spacious basement level that offers excellent additional storage options.
