Charming three-bedroom detached villa nestled in the countryside of Cehegín, Murcia, all on one level. Upon entering, you are welcomed into a spacious living and dining room, featuring delightful wooden doors and charming wooden details. The kitchen is separate, fully custom, and exudes country style with white cabinetry and warm wooden finishes. There are three generously sized double bedrooms, including a master with an ensuite, alongside a further family bathroom. The home is equipped with a fitted air-conditioning unit in the living room and ceiling fans throughout, ensuring comfort in every season. Every window frames stunning views of the surrounding landscape, while a bright, covered porch with arched windows offers a serene space to relax and take in the countryside. The villa is built in a traditional Spanish style, complete with elegant stone arches and white plaster.

The exterior is equally impressive, with dedicated entertaining areas, a large private swimming pool, a covered relaxation area, a stone BBQ space, and a mature olive grove. A separate building provides a garage and storage, along with ample off-road parking.

It also has solar panels.
