A well-presented two bed terraced property with beautiful countryside views, located close to the centre of the village. To the front of the property is ample off road parking overlooking an open green area. Entrance to the property is via a spacious glass conservatory, this is ideal for the winter sun and has a free-standing log burner. A door steers into the open plan lounge/diner with a fully fitted kitchen to the rear. An inner hallway gives access to the two good size double bedrooms, both with built-in wardrobes and to the modern family bathroom. From the rear door you will find the back garden, this is low maintenance, fully tiled and has a very nice seating area with open greenland views. Viewings on this property are highly recommended.
